

RION HOBBY GREENHOUSE KITS

Free Shipping on ALL Rion Greenhouses and Accessories

Framing - Maintenance-free resin frame Color: green

Glazing - UV coated 4mm Polycarbonate Glazing – for better: sun protection, light diffusion, heat insulation, strength and safety. R-Value: 1.46

Hinged Doors – Easier to use and more durable than sliding doors

Roof Vents – Come standard with the greenhouse to let out the hot air in your greenhouse.

Strong - Roof tested to hold 1,100 Lbs.

Easy to Assemble - Innovative PUSH & FIT Rion Connectors enable you to build it yourself, thus saving time and money. No tools are needed.

Modular Structure - You decide what size greenhouse you want. The modules are identical in dimensions and enable future additions to your greenhouse.

Safety - Twin wall polycarbonate panels are preferred by professionals to cover their greenhouses. They defuse bright sunlight and provide better conditions for your plants. They ensure safety for kids and pets.

Packaging - Lightweight and easy to handle, fits UPS requirements. All needed parts are in the box: polycarbonate panels, profiles, connectors, seals, and a step by step assembly manual. Will be delivered to your door within a week of placing your order.

Warranty - Seven year warranty against manufacturers defects.
